

10 THINGS TO LOOK FOR WHEN CHOOSING A SCHOOL

High Expectations

We know that our students can achieve fantastic results and that they have to believe in themselves to do this. For this reason, we develop self-confidence, independent spirit and enthusiasm in our young people. We do this in partnership with our parents and the Blyth Community.

Committed Students

Our students are fabulous! They excel in all areas and their talent is never ending. We work with each student to build belief in their own abilities and to recognise their unique skills. Our students have a passion for learning and this ranges from Latin to long distance running and from Statistics to Shakespeare.

Great Staff

At The Blyth School Community College, we recognise the need for positive relationships between students and staff. Motivated students are the result of motivated teachers and support staff, and we have these people in abundance! Every member of staff is committed to our core purpose which is to ensure the best opportunity for every youngster in Blyth.

Inspirational Headteacher

The fabulous students and great teachers make the job of the Headteacher at The Blyth School the best job in the world! We are Blyth and part of the success of this magic partnership is working effectively with the Blyth community and with the schools our students come from.

Happy Students

Happy students are successful students who have a real opportunity to learn. Our students are engaged in a range of experiences which keep their interest while preparing them for the world of work and the world of the future. Our students have a voice here, and they are encouraged to participate in debate and decision making.

Exceptional Support Structures

We believe that every child is unique and so has different learning needs. We meet the needs of every student through a wide range of support strategies and structures and we work closely with families to make sure every child receives the right support throughout their time at school.

Diverse Curriculum

Our developing curriculum offers a range of vibrant and exciting opportunities for young people. This enables them to choose their direction, whether it is University, training, or employment. We believe in the widest breadth of subjects and support our students in their choices at every stage. We have a fantastic extra-curricular programme and this is added to constantly as requests come in from students!

Welcoming for Parents

Our most important partnership is with our families. A positive relationship with parents really does ensure that we are working together for every individual. There are number of calendared events throughout the year for parents, and our live tracking system means that progress is consistency monitored and we formally report to parents every half term. Parents are always welcome!

Great Results

We have achieved the best ever results this year and we are delighted for our students and their families! Good relationships. Honest partnerships and good old-fashioned hard work have led to this fantastic accolade for The Blyth School. We believe in our young people of Blyth.

Aspirational Targets

Our targets were inspirational for this year and we succeeded. Our targets for next year will place us among the highest achieving schools in the region.
