Important Information:

Advance Notice of Training Day Changes

Please note that we have had to change the dates of our two final training days for this academic year. **They will now take place on Monday June 11th and Tuesday June 12th.** These days will provide training for staff in a new exciting maths scheme, which we know the children will love. We hope you will appreciate the early notice of these dates. **Therefore Thursday May 3rd and Friday 29th June will no longer be training days for Newsham Primary School.**

- Headlice has been reported in Reception and Year 1** - please check your child's hair tonight and treat accordingly.
- Please remember that the disabled bays at the front of school are not for picking/dropping off purposes, they are for blue badge holders only. Thank you.
