

YEAR 2 GAZETTE

Free to all children in Year 2

Spring edition

Spring Term Topic - Diseases and Disasters.

This term children will learn about some of these famous, significant events from the past, how they have impacted on life as we know it today, and what happened as a consequence. They will learn about the different ways which we can find out

HOMework

Please practice weekly spellings with your child and read as often as you can.

10-15 minutes reading practice every day will help them enormously.

Writing homework will continue to be given each half term and is due in every Friday. Please encourage your child to do these tasks.

Numeracy homework tasks can be chosen from the Y2 Homework folder on Interactive Resources website (details below). Children should complete as many of these games as regularly as possible.

P.E.

ALL EARRINGS MUST BE REMOVED

Both classes have an **OUTDOOR** session on Monday and indoor session on Friday. Please make sure you have suitable indoor and outdoor kits (including trainers and sweatshirt)

THIS SHOULD STAY ON YOUR PEG.

Numeracy and Literacy.

This term children will focus on learning 2, 5 and 10 times tables and pairs of numbers that add together to make 10 and 20. They are continuing to learn lots of basic skills to equip them for everyday life in the future and this term the main focus will be on multiplication and division.

Don't forget to use our Numeracy homework site to help you.

In Literacy children will be continue to develop a variety of genres of writing including story writing, recounts, non fiction writing as well as a variety of poetry.

SCIENCE

During the Spring term we will be looking at various aspects of Electricity, whereby the children will have the opportunity to explore and create working circuits to make light and sound.

Another science topic this term is Forces and Movement. Children will learn about different forces, including gravity and friction and will carry out experiments to test theories. A useful website for both topics is <http://www.bbc.co.uk/schools/>

Please remember that doors open at 8.40 am and school begins at 8.45am. Registers will be taken then.

Don't be late and make sure you have everything you need for the school day!

In R.E. this term children will learn about the Hindu faith as well as why Easter is important to Christians.
